

365 Dining Table

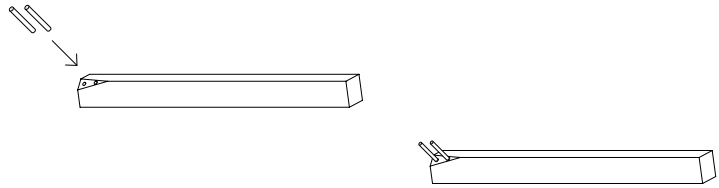

4 x Legs		1 x Table Top	
			
1 x Spanner	8 x Threaded Rod		8 x Washer, Spring Washer + Nut
			

Always use two people to flip the table over to an upright position. Ensure the table is held by the table top or rails and never the legs when maneuvering.

Step 1

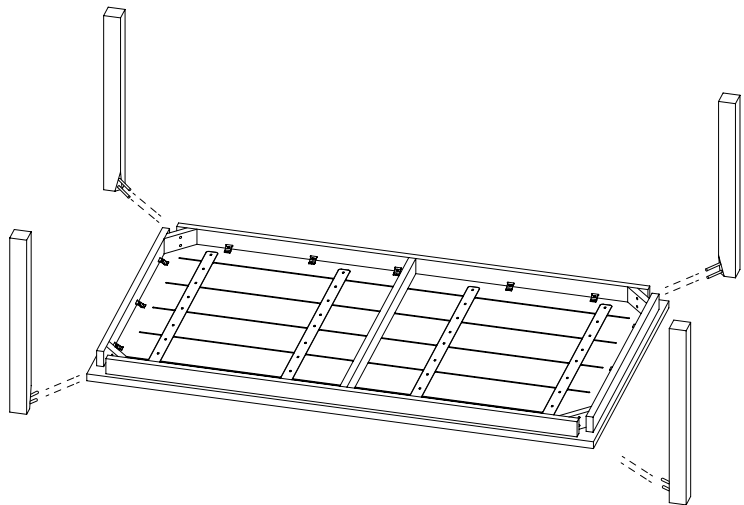

Screw in two threaded rods into each table leg. Ensure they are wound tight.

Step 2

Lay the table top face down on a soft clean surface.

Position the legs in place with the threaded rods passing through the holes in each corner bracket.

Step 3

Thread a washer and spring washer onto each bolt. Loosely tighten nuts onto each bolt before fully tightening to secure the legs.

Always use two people to flip the table over to an upright position. Ensure the table is held by the table top or rails and never the legs when maneuvering.
